Robert Dewberry, Attorney at Law, represented me as the landlord in a landlord-tenant dispute with skill and in an expeditious manner. Once Mr. Dewberry had the facts to my case, he quickly set the legal wheels in motion which resulted in a favorable decision in my favor. He is very knowledgeable in this area of the law--real estate and landlord-tenant relationships.

His demeanor simultaneously conveys his strengths yet has a calming, reassuring impact. As a client I felt very confident with Mr. Dewberry as my counsel and he delivered.
