Bob...

Sorry this is late in getting to you...please feel free to add/delete however you feel appropriate.

As a commercial property owner in Newport Beach, I contacted The Dewberry Firm to put our building in an LLC. Mr. Dewberry handled this expeditiously and in a most professional manner, and made the process very simple for us. I have a very high confidence level in Mr. Dewberry and his firm and wouldn't hesitate to recommend him.
